

Ms. Mellyana Frederika, Programme Specialist, Pulse Lab Jakarta- UN Global Pulse

Mellyana Frederika is a Programme Specialist at Pulse Lab Jakarta, a United Nations innovation initiative that harnesses big data for sustainable development and humanitarian action. She manages a portfolio across frontline service delivery, social protection, urban and regional dynamics. This includes exploring how data innovation and human-centered design approaches can be synergized to facilitate the development of smart-city solutions. She is a public policy expert with more than 13 years of experience on delivering local governance and decentralization projects for UN agencies. She holds a Master's Degree in Urban

Management from the Institute of Housing and Urban Development Studies - Erasmus University, The Netherlands.
