Human Capacity Building: Four layers of delivery platforms

ITU Asia-Pacific Centres of Excellence (2015-2018)

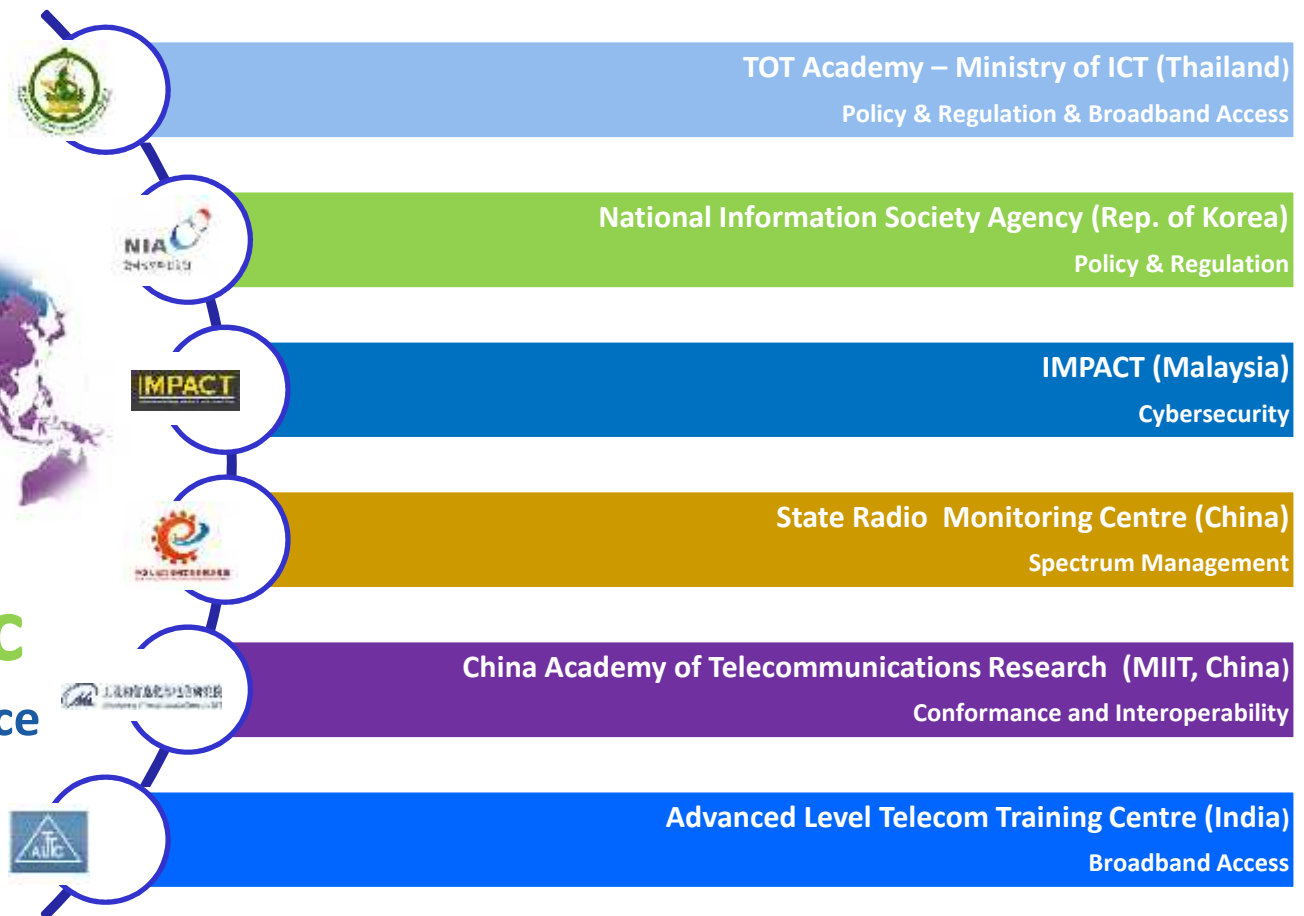

32 ITU Centres of Excellence

Upto 6 Centres each in

Africa, Americas, Arab, Asia-Pacific, CIS and Europe Region

Asia-Pacific
Centres of Excellence

Note: List of selected ITU Asia-Pacific CoE (Formal agreement awaited)

ITU Asia-Pacific CoE Network characteristics

- Highly specialized in nature with focus on solution providing
- Support from ITU resources, expertise and network
- Brand Value of ITU, CoEs and Partners
- External funding and partners
- Delivery of highly specialized courses at low or no cost
- Cost recovery

ITU Asia-Pacific CoE Network – Key success factors

ITU Asia-Pacific CoE Steering Committee (2015-2018)

The ITU ASP CoE Steering Committee comprises of

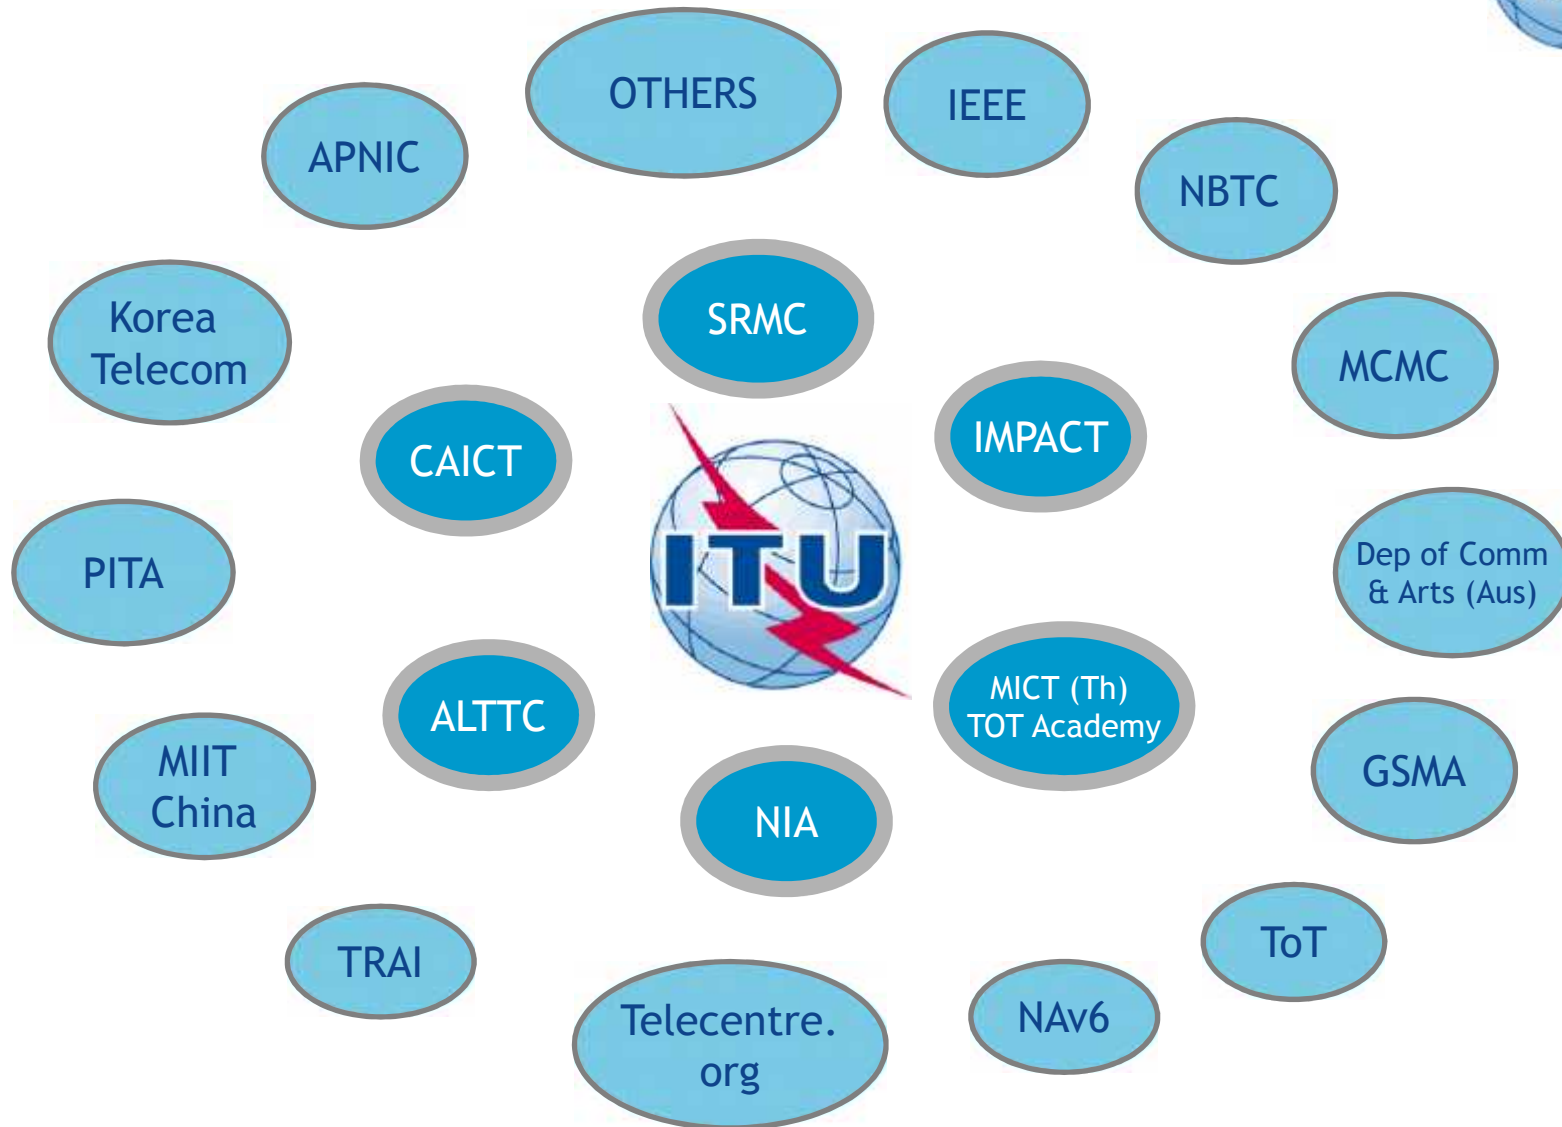

- Representatives from China, India, Republic of Korea, Malaysia, Thailand, Vietnam, The Philippines,
- GCBI Members and
- the ITU.
