Administrations of ITU Member States,
Regulators,
Sector Members,
Academia in Asia and the Pacific

Subject: **Training Program on "Planning Internet of Things (IoTs) networks", 25 – 28 September 2018, Bandung - Indonesia**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on **"Planning Internet of things (IoTs) networks"** to be held in Bandung, Indonesia, from 25 to 28 September 2018.

The event is being organized by International Telecommunication Union and is being kindly hosted by the Ministry of Communication and Information Technology (MCIT), Indonesia as an activity to address the expected outcomes of the Regional Initiatives determined by WTDC-17 for Asia-Pacific region under the Buenos Aires Action plan (BaAP). The event is also supported by the Department of Communications and the Arts, Australia.

The training will be delivered in English only and has been designed to further develop the technical capacity of staff from policy makers, regulators, industry and Academia. The key target areas for the training include amongst others

- IoT network planning and roadmap
- IoT technology and architectures
- IoT standards and security
- IoT strategy and application in Smart Sustainable City

The draft program is attached (Annex 1) for your information. The details on this training including the practical information, hotel reservation form and updated agenda may be accessed through the following link: http://www.itu.int/en/itu-d/regional-presence/asiapacific/pages/events/2018/iot-bdg/main.aspx.

To **register** for the training, participants are kindly requested to complete the online registration form available at the event webpage mentioned above.

For any further information or queries related to the event, please do not hesitate to contact the training coordinators Mr Brian Dipta Pratama (bria001@kominfo.go.id) and/or Mr Aamir Riaz (aamir.riaz@itu.int).
I look forward to your active participation in the course.

Yours faithfully,

Ioane Koroivuki
Regional Director
ITU Regional Office for Asia and the Pacific
