

Mi Kyoung PARK

Associate Research and Policy Analysis Expert

**United Nations Project Office on Governance
Division for Public Institutions and Digital Government
United Nations Department of Economic and Social Affairs**

Ms. Mi Kyoung Park is the Associate Research and Policy Analysis Expert of the United Nations Project Office on Governance, Division for Public Institutions and Digital Government, United Nations Department of Economic and Social Affairs. Her current research and work areas include developing the governance framework to localize the SDGs, innovation in delivering inclusive public services for the poorest and most vulnerable, instituting data governance for advancing digital government, e-government for women's empowerment, and coordinating the capacity needs assessment of government institutions at national and subnational levels to implement Agenda 2030. Prior to joining the UNPOG, Ms. Park worked as a researcher at the Korea National Diplomatic Academy of the Ministry of Foreign Affairs, Republic of Korea. Ms. Park has a BA in International Studies from Korea University and an MSc in Global Politics from the London School of Economics and Political Science (LSE).
