Subject: **ITU Asia-Pacific Centre of Excellence Training on “Broadband Access Network Planning”, 5 to 9 October 2015, ALTTC, BSNL, Ghaziabad, U.P,INDIA**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on “**Broadband Access Network Planning**” to be held in Ghaziabad, India. This face-to-face training is organized jointly by the International Telecommunication Union and the Advance Level Telecom Training Centre, BSNL as part of the **Broadband Access Network Planning** programme under the auspices of the ITU Centres of Excellence for Asia Pacific Region. The training will be delivered in English language.

The objective of training is to equip participants with an understanding of current and future wireline and wireless broadband technologies, network architecture and its planning and implementation. The training will enable participants to understand wireless and wire-line broadband internet access network from ISPs perspective. After attending this program the participants shall develop the understanding of various broadband wireline and wireless Technologies, network elements, protocol standards, service providing, capacity planning QoS implementation and issues, billing and other support sub-systems.

Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>.

This training is targeted at managers, engineers and employees from regulators, government organisations, telecommunication companies and academia, who are interested in understanding, the design, implementation and operational modalities of Broadband Network from ISP point of view.

Registration for the training should be made online at the aforementioned link no later than 15 September 2015. Payment details are specified in the training outline.

Mr. Ashish Narayan, Programme Coordinator (ashish.narayan@itu.int), ITU Regional Office for Asia and the Pacific is at your full disposal should you require any information.

Additional information on this training, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/index.php/events> and <http://www.itu.int/itu-d/asp>.

We look forward to your active participation and invaluable contribution.

Yours faithfully,
