ITU Regional Workshop
on Mobile Number Portability, Conformance and Interoperability
Moscow, Russian Federation, 1-2 March 2018

DRAFT PROGRAMME

Venue: FSUE ZNIIS, Moscow, 1-Y Perova Polya Proyezd, 8

01 March 2018, Thursday

09:30-10:00	**Participant registration**
10:00-10:15	**Workshop opening:** - Ministry of Telecom and Mass Communications of the Russian Federation - Federal Communications Agency - Central Science Research Telecommunication Institute (ZNIIS) - International Telecommunication Union (ITU)
10:15-11:30	**Session 1: Number portability standardization. Maintenance of the central database of ported numbers (CDB) in the Russian Federation** **Moderator: Igor Bukharev**, Head, Service of CDB establishment and maintenance, ZNIIS, **Russia** **Speakers:** *Central database of ported numbers (CDB) in the Russian Federation. Current issues and further development* **Igor Bukharev**, Head, Service of CDB establishment and maintenance, ZNIIS, **Russia** *MNP testing methodology. Tests of MNP equipment and systems. Results of joint ZNISS and ITU pilot project* **Vadim Plakhov,** Senior expert on CDB maintenance, ZNIIS, **Russia**
11:30-12:00	**Coffee break. Group photo**
12:00-13:30	**Session 1 (continued)** **Speakers:** *Numbering and portability for OTT, M2M and eCall (CEPT materials overview)* **Liubov Kozadaeva**, Senior expert, ZNIIS, **Russia** *Further MNP development in convergent networks* **Yuri Kargapolov**, CEO, UANIC, **Ukraine** *Rational for establishment of the registry of organizations subjects of System-112* **Vladimir Zheludkov**, Head, Division of CDB maintenance, ZNIIS, **Russia**
13:30-14:30	**Lunch**
14:30-16:00	**Session 2: Prospects of additional services development based on CDB infrastructure** **Moderator: Vadim Plakhov,** Senior expert on CDB maintenance, ZNIIS, **Russia** **Speakers:**

	Controlling use of mobile communication devices in the Russian Federation and creation of centralized IMEI database **Vadim Plakhov,** Senior expert on CDB maintenance, ZNIIS, **Russia** *Counteraction measures against illicit operations with subscriber identification module when using mobile radiocommunication. Results of pilot project* **Vladimir Shkoda**, Senior expert, ZNIIS, **Russia** *Implementation of requirements related to identification of text messaging services users* **Anton Chuvelichkin**, Expert on network provision and information security, ZNIIS, **Russia**
16:00-16:30	**Coffee break**
16:30-17:30	**Session 2 (continued)** **Speakers:** *Proposal to establish inter-operator center of traffic analysis and monitoring aimed at combatting DDoS attacks* **Maxim Bashkirov**, Expert on CDB maintenance, ZNIIS, **Russia** *Open API operator for telecom operators. Implementation aspects* **Igor Bukharev**, Head, Service of CDB establishment and maintenance, ZNIIS, **Russia**

02 March 2018, Friday

09:30-11:00	**Session 3: ITU activities in the area of conformance and interoperability of telecom equipment** **Moderator: Farid Nakhli**, Programme Officer, ITU Area Office for CIS **Speakers:** *ITU activities in the CIS. ITU-D activities on C&I* **Farid Nakhli**, Programme Officer, ITU Area Office for CIS *Key activities and major outcomes of the ITU standardization sector, ITU programme on conformance and interoperability testing, outcomes of the ITU-T SG11* **Denis Andreev**, ITU-T SG11 Advisor, FG-DPM, C&I Programme coordinator, TSB, ITU
11:00-11:30	**Coffee break**
11:30-13:00	**Session 3 (continued)** **Speakers:** *Identification of user terminals in public networks* **Igor Bukharev**, Head, Service of CDB establishment and maintenance, ZNIIS, **Russia** *Opportunities of conformance and interoperability of telecom equipment and new technologies for telecom operators on the basis of ZNIIS Tehcnopark, including Virtual laboratory* **Evgeniy Perevozchikov**, Expert on CDB maintenance, ZNIIS, **Russia**
13:00-14:00	**Lunch**
14:00-15:30	Round table "Perspective directions of MNP services and C&I testing. ZNIIS cooperation with different organizations in the telecom market" **Chairman: Andrei Griazev,** Director General, ZNIIS, **Russia**
15:30-16:00	**Coffee break**
16:00-16:30	**Wrap-up. Closing**
