

ACCESSIBLE EUROPE 2019 – CONTRIBUTION

The Swedish Disability Rights Federation

Improving active involvement of organisations of persons with disabilities in ICT procurement, innovation and standardisation

ACTIVITY COVERAGE *[Please tick all that apply]*

- Regional cooperation and stakeholder engagement:** the activity strengthens and supports regional cooperation and the engagement of all relevant stakeholders, in line with the European Accessibility act, in the development and implementation of ICT accessibility policies and solutions in the European region.
- ICT accessibility policies:** raising awareness and/or promoting relevant guidelines on public policies, including exchanging knowledge and sharing best practices on ICT accessibility. This may include the development of standards.
- Public procurement with accessibility features:** promoting regional and in-country deliver of public procurement as a tool to improve the inclusion of persons with disabilities and specific needs.
- Web Accessibility:** developing regional and in country capacity through web accessibility features and/or training to ensure that websites and related services are available and accessible to all citizens.
- Media Services Accessibility:** raising awareness about accessibility possibilities of TV and video streaming on digital platforms, and promoting the implementation of appropriate solutions.
- Innovation and Accessibility:** promoting the development of regional and in-country capacity building on programming for all, including persons with disabilities and specific needs. This may include embedding “accessible by design” in the product’s innovation/development process.

DESCRIPTION OF CURRENT/RECENT ACTIVITIES

The Swedish Disability Rights Federation are working on international and european level and are active in 11 national technical committees, members in for example JTC1/SC35, ISO SAG at TMB level, CEN SAGA, CEN JWG e-Accessibility, CEN TC 12 Design for All etc. We are part of the network of European Disability Forum, EDF on ICT and innovation,national networks on procurement and accissibility, AI linked to persons with disabilities. We have an active project on Universal Design running with a PHD student.

Our activities are always depending on funding and priorities, so probably onwards

2016 or before 2017 2018 2019 2020 2021 2022 2023

CALL FOR COLLABORATION/COMMITMENT TO FUTURE ACTIVITIES

Best practise for systematic inclusion and active involvement of representatives of organisations of persons with disabilities in innovation, standardisation in mainstream procurement agreements, application of universal design for learning practises and application of the European standard EN17161 Accessibility following a Design for all approach (or Universal design /Inclusive design etc)
