Background

DCAF is in its third year of a three-year Project to enhance cybersecurity governance in the Western Balkans region. This Project is supported by the United Kingdom Government (Foreign and Commonwealth Office). The Project focuses on accountable and effective governance, strengthening governmental CERTS, building the skills and knowledge of CERT staff and bringing about regional cooperation.

Proposal [max 400 words]

DCAF will continue to work with the ITU to bring about strengthened governance of cybersecurity in the Western Balkans Region.
