Introduction to ICT measurement <p>Session 1 will provide an overview of the main areas of ICT measurement, as well as the overall process of data collection, compilation and dissemination.</p> <p>Chair: Mr. Rovshan Mamedov, Minister of Communications and Information Technologies of Nakhichevan Autonomous Republic;</p> <p>Speakers:</p> <p>Ms. Susan Teltscher, Head, ICT Data and Statistics Division, ITU/BDT <i>Introduction to ICT measurement. Role of ITU and the Partnership on Measuring ICT for Development in the collection, harmonization and dissemination of ICT data at the international level.</i></p> <p>Ms. Natalya Zorya, Deputy Director General, Executive Committee, Regional Commonwealth in the field of Communications (RCC) and Assistant Professor, Moscow Technical University of Communications and Informatics (MTUCI) <i>Results of the Regional Monitoring of Infocommunication Development of the RCC countries</i></p>
12:00-14:00	Lunch
14:00-16:00	Session 2. Telecommunication/ICT indicators – administrative data sources <p>Session 2 will cover the main issues related to the collection of ICT indicators from administrative sources (i.e. supply-side data collected from operators). Questions are welcome.</p> <p>Chair: Ms. Susan Teltscher, Head, ICT Data and Statistics Division, ITU/BDT</p>

	<p>Speakers:</p> <p>Mr. Ivan Vallejo, Market analyst, ICT Data and Statistics Division, ITU/BDT <i>Presentation of the ITU data collection and indicators from administrative sources: fixed telephone, mobile cellular, Internet, revenue, investment, persons employed, broadcasting and leased lines, QoS and traffic.</i></p> <p>Mr. Rati Skhirtladze, Head of the Department of Information and Analysis, Georgian National Communications Commission <i>Collection of data from telecommunication operators in Georgia according to international standards</i></p>
16:00-16:15	Coffee break
16:15-17:30	<p>Speaker:</p> <p>Mr. Ivan Vallejo, Market Analyst, ICT Data and Statistics Division, ITU/BDT <i>Presentation of the ITU data collection and indicators from administrative sources: focus on broadband indicators.</i></p>
25 April 2013, Thursday	
09:30-10:45	<p>Session 3: ICT statistics in national household surveys</p> <p>Session 3 will deal with the collection of ICT statistics through household surveys (i.e. demand-side data collected from households and individuals). Questions are welcome.</p> <p>Chair: Mr. Andrei Untila, Programme Officer, ITU Area Office for the CIS</p> <p>Speaker:</p> <p>Ms. Susan Teltscher, Head, ICT Data and Statistics Division, ITU/BDT <i>Introduction to ICT household surveys, the core list of indicators on access to, and use of, ICT by households and individuals, ITU data collection, ITU Manual and the Expert Group on Household Indicators.</i></p> <p>Ms. Margarita Rohr, ITU Consultant, Lecturer and Researcher in Economics, University of Valencia <i>Presentation of the core list of indicators on access to, and use of, ICT by households and individuals (definitions, standards, methodologies).</i></p>
10:45-11:00	Coffee break
11:00-12:00	<p>Ms. Susan Teltscher, Head, ICT Data and Statistics Division, ITU/BDT <i>Current revisions to the core indicators on access to, and use of, ICT by households and individuals</i></p>
12:00-14:00	Lunch

<p>14:00-16:00</p>	<p>Session 4: ICT statistics in business surveys and the ICT sector</p> <p>Session 4 will address the issues related with the collection of ICT indicators related to the use of ICT by businesses. Questions are welcome.</p> <p>Chair: Ms. Eleonora Vasilache, Ministry of Communication and Information technology of Moldova</p> <p>Speakers:</p> <p>Ms. Diana Korka, ICT Analysis Section, UNCTAD <i>Overview of the core list of ICT indicators related to the use of ICT by businesses, the ICT sector and trade in ICT goods. Presentation of UNCTAD's data collection and compilation</i></p> <p>Ms. Margarita Rohr, Lecturer and Researcher in Economics, University of Valencia <i>Continuation. Overview of the core list of ICT indicators related to the use of ICT by businesses, the ICT sector and trade in ICT goods.</i></p> <p>Mr. Heydar Rustamov, Head Division of Economic Analysis, Ministry of Communications and Information Technologies of Azerbaijan <i>The ICT statistics review in Azerbaijan and suggestions towards the improvement of ICT indicators</i></p>
<p>16:00–16:15</p>	<p>Coffee break</p>
<p>16:15-17:30</p>	<p>Session 5: Measuring international targets – WSIS+10, Broadband Commission, MDGs</p> <p>Session 5 will address the issues related with the collection of ICT indicators for the measurement of international targets. Questions are welcome.</p> <p>Chair: Mr. Heydar Rustamov, Head Division of Economic Analysis, Ministry of Communications and Information Technologies of Azerbaijan</p> <p>Speakers:</p> <p>Mr. Ivan Vallejo, Market Analyst, ICT Data and Statistics Division, ITU/BDT <i>Overview of the international targets dealing with ICTs and the corresponding data collection processes. Work of the Partnership on Measuring ICT for development</i></p> <p>Mr. Almaz Bakenov, Director, National Information Technology Center, Kyrgyz Republic <i>The WSIS targets measurement in Kyrgyzstan</i></p>

26 April 2013, Friday

<p>09:30-10:30</p>	<p>Session 6. National coordination of ICT statistics</p> <p>Session 6 will discuss the issues related with the national coordination of administrations (NSOs, ministries, regulators) for the collection of ICT statistics. There will be an open discussion at the end of the session to exchange views on the different national experiences on coordination of ICT statistics.</p> <p>Chair: Mr. Rovshan Mamedov, Minister of Communications and Information Technologies of Nakhichevan Autonomous Republic;</p>
---------------------------	--

	<p>Speakers:</p> <p>Ms. Susan Teltscher, Head, ICT Data and Statistics division, ITU/BDT <i>Importance of national coordination. Overview of the different coordination mechanisms. Report from WTIM 2012</i></p> <p>Mr. Farid Nakhli, Head, Scientific and Research Division for Development of Infocommunications, Giprosvyaz JSC, Ministry of Communications and Informatization, Republic of Belarus <i>Distribution of ICT data collection between agencies in the Republic of Belarus</i></p>
10:30-10:45	Coffee break
10:45-12:00	Roundtable on experiences in CIS countries on national coordination of ICT statistics
12:00-14:00	Lunch
14:00-16:30	<p>Conclusions and recommendations</p> <p>Closure of the workshop:</p> <ul style="list-style-type: none"> - Ms. Susan Teltscher, Head, ICT Data and Statistics Division, ITU/BDT - Mr. Rovshan Mamedov, Minister of Communications and Information Technologies of Nakhichevan Autonomous Republic
