AGENDA

3rd Meeting of the Expert Group on ICT Household Indicators (EGH)

&

6th Meeting of the ITU Expert Group on Telecommunication/ICT Indicators (EGTI)

22-25 September 2015

VENUE: Room C, ITU Tower Building
Geneva, Switzerland

Tuesday 22 September 2015

08:00 every day	**Registration at the ITU Montbrillant Building**
09:00-09:30	**OPENING SESSION**

- Opening remarks – Cosmas Zavazava
- Opening remarks – Alexandre Barbosa, EGH Chair
- Opening remarks – Annie Baldeo, EGTI Vice Chair
- Group picture

Day 1	**Expert Group on ICT Household Indicators (EGH)**

09:30 – 10:00 **1. Introduction to the EGH meeting**

- Adoption of the draft agenda – Alexandre Barbosa, EGH Chair
- Working methods and presentation of documents – Alexandre Barbosa, EGH Chair

10:00 – 11:00 **2. Barriers to Internet access and use**

- Review of comments from the online forum:
    - Barriers to individuals not using the Internet – Sarah Sung Ju Eo, Korea Association of Information & Telecommunication
    - Discussions
    - Barriers to household Internet access – Sarah Sung Ju Eo, Korea Association of Information & Telecommunication
    - Discussions

11:00 – 11:30 **COFFEE BREAK**

11:30 – 12:30 **2. Barriers to Internet access and use (continued)**

- Country experience in collecting the indicators –Aldo Sánchez, Instituto Federal de Telecomunicaciones, Mexico
- Discussions
- Decision on the definition of the indicators and future data collection

12:30 – 14:00 **LUNCH BREAK**

14:00 – 15:00 **3. Barriers to mobile phone ownership**

- Review of comments from the online forum – Mariama Deen-Swarray, Research ICT Africa
- Country experience - Linah Ngumba, Kenya National Bureau of Statistics
- Discussions
- Decision on the definition of the indicator and future data collection

15:00 – 15:30 **COFFEE BREAK**

15:30 – 17:00	**4. ICT employment**

- Overview – Scarlett Fondeur Gil, United Nations Conference on Trade and Development
- Presentation of progress of work on definition of indicator – David Hunter, International Labour Organization
- Review of comments from the online forum – Martin Mana, Czech Statistics Office
- International experience – Carsten Olsson, EUROSTAT
- Discussions
- Decision on the definition of the indicator and future data collection

Wednesday 23 September 2015

Day 2	**Expert Group on ICT Household Indicators (EGH)**
09:00 – 10:30	**5. Methodological issues – country experiences**

- Data collection (tools, processes, standards, vehicles, challenges) – Luciano Nazareno Ciotti, Instituto Nacional de Estadística y Censos, Argentina
- Data verification/processing – Matthew Wong, Census and Statistics Department, Hong Kong (China)
- Data dissemination (visualization, open data) – Safa Mostafa, Egyptian Ministry of Communications and Information Technology

10:30 – 11:00	**COFFEE BREAK**
11:00 – 11:30	**6. Future work**

- Overview of indicators framework for the SDGs – Vanessa Gray, ITU
- Discussion of future work of EGH

11:30 – 12:30	**7. Conclusions and closing**

- Presentation of summary and conclusions – Alexandre Barbosa, EGH Chair
- Closing of the EGH meeting – (ITU/BDT)

JOINT SESSION EGH AND EGTI

14:00 – 14:30	**1. Introduction**

- Remarks from the EGTI/EGH chairs

14:30 – 15:30	**2. ICT Development Index (IDI)**

- Presentation on the latest changes to the IDI methodology – Esperanza Magpantay, ITU
- Statistical assessment of IDI 2015 - Marcos Dominguez Torreiro, Joint Research Centre (JRC), European Commission
- Review of comments and proposals from the online forum on the IDI – Annie Baldeo, EGTI Vice Chair
- Proposal on IDI skills – Peter Wallet, UNESCO Institute for Statistics
- Discussion on the IDI

15:30 – 16:00	**COFFEE BREAK**

16:00 – 17:30	**3. New Data Sources (Big Data)**

- Introduction – Susan Teltscher, ITU
- Presentation of UNECE work on big data – Steven Vale, United Nations Economic Commission for Europe (UNECE)
- Country experience – Carmelo Muñoz Ruiz, National Observatory for Telecommunications and the Information Society, Spain

18:00	**COCKTAIL RECEPTION**

Thursday 24 September 2015

Day 1	**Expert Group on Telecommunication/ICT Indicators (EGTI)**
09:00 – 9:30	**1. Introduction to the EGTI meeting**

- Opening
- Adoption of the draft agenda – Iñigo Herguera, EGTI Chair
- Working methods and presentation of documents – Iñigo Herguera, EGTI Chair

09:30 – 11:00	**2. Advanced mobile-broadband technologies (e.g. LTE)**

- Review of comments from the online forum – Annie Baldeo, EGTI Vice Chair
- Country example on the collection of subscription data on advanced mobile-broadband technologies – Marie Pham, Autorité de Régulation des Communications Électroniques et des Postes, France
- Discussion of the proposed definition for the indicator

	• Decision on whether to include a new indicator on advanced mobile-broadband technologies in the ITU Questionnaires
11:00 – 11:30	**COFFEE BREAK**

11:30 – 12:30 **3. Sub-categories of mobile-broadband subscriptions**

- Review of comments from the online forum – Annie Baldeo, EGTI Vice Chair
- Country examples on the collection of different sub-categories of mobile-broadband subscription, e.g. subscriptions through USB modems/dongles – Cinthya Arias, Superintendencia de Telecomunicaciones, Costa Rica; Chen Jiachun, Ministry of Industry and Information Technology, China

12:30 – 14:00 **LUNCH BREAK**

14:00 – 15:00 **3. Sub-categories of mobile-broadband subscriptions (continued)**

- Discussion on the feasibility and relevance of collecting data for some sub-categories of mobile-broadband subscriptions
- Decision on the sub-categories of mobile-broadband subscriptions to be collected in the ITU Questionnaires

15:00 – 15:30 **COFFEE BREAK**

15:30 – 16:30 **4. Fixed-broadband subscriptions by type of organization**

- Review of comments from the online forum – Annie Baldeo, EGTI Vice Chair
- Country example on the collection of separate administrative data on fixed-broadband services for public and private organizations – Saeed Mashkoor, Telecommunications Regulatory Authority Bahrain
- Discussion on the feasibility and relevance of collecting additional ICT data disaggregated by type of organizations from administrative data sources
- Decision on whether to include any new indicators on fixed-broadband subscriptions by type of organization in the ITU Questionnaires

16:30 – 17:30 **5. Other administrative ICT data sources, such as OTT service providers**

- Review of comments from the online forum – Annie Baldeo, EGTI Vice Chair
- Country example on the collection of ICT data from other administrative data sources – Pat Wu, Facebook
- Discussion on the types of ICT data that can be collected from other administrative data sources and the feasibility of collecting these data
- Decision on how to proceed with the discussion of other administrative data sources in the context of EGTI

Friday 25 September 2015

Day 2	Expert Group on Telecommunication/ICT Indicators (EGTI)
09:00 – 10:30	**6. Indicators on m-banking services** • Review of comments from the online forum – EGTI Vice Chair • Country examples on the collection of data on m-banking services – Linda Kambale, Malawi Communications Regulatory Authority • Discussion on the relevance of statistics on m-banking services and the methodological issues regarding their data collection • Decision on the (future) inclusion of m-banking indicators in ITU statistical questionnaires and/or ITU methodological publications
10:30 – 11:00	**COFFEE BREAK**
11:00 – 11:30	**7. Future work** • Discussion of the future work of EGTI
11:30 – 12:30	**8. Conclusions and closing** • Presentation of summary and conclusions – Iñigo Herguera, EGTI Chair • Closing of the EGTI meeting – (ITU/BDT)
