# The impact of unequal access to ICT infrastructure on the Geography of COVID-19

BIO

Mr Enrico Calandro, Co-Director of the Cybersecurity Capacity Centre for Southern Africa at the University of Cape Town

Enrico Calandro is Co-Director of the Cybersecurity Capacity Centre for Southern Africa at the University of Cape Town, and Senior Research Associate at Research ICT Africa. Enrico is also a Member of the Advisory Board of the Global Forum on Cyber Expertise.

Over the last ten years, his professional career has been research driven. He has conducted Internet policy and regulation research across the African continent to facilitate evidence-based and informed policy making for improved access, use and application of ICTs in Africa and beyond. His current research focuses on measuring cyber capacity and international cooperation in cyberspace.
