Network Summary for Part 3-S

Instruction for retrieving the transaction summary for a network published in Part -3S of a BRIFIC:

- 1. Launch the Spacepub application.
- 2. Select File -> Open Access Database.
- 3. Select the ificXXXX.mdb (e.g. ific2568.mdb) from the directory \Data\Ific_data of the BRIFIC CDROM.
- 4. Under the print selection, click on the TSUM radio button, and ensure that the External TSUM is selected in the combo box.
