## **Commenting on AP30\* Special Sections**

# Workshop on Space Plan services (AP30/30A/30B)

### Presented by ITU-R/SSD Space Notification and Plans Division

WRS-2010

## **Commenting on Special Sections**

## **BR Examination**

on proposed satellite network identifies affected Administrations

Publication of results in BR IFIC Special Sections

## Affected Administrations have 4 months to comment

i.e to inform BR and Notifying Administration of their agreement for interfering OR their request for coordination/objection
