CHANGEMAKERS LAB

Changemakers Lab is an ecosystem builder that enables and advocates for social tech entrepreneurs and key stakeholders to cooperate and cocreate impactful solutions that solve social challenges

#socent #impinv #SDG17

WHY?

We **strongly** believe that we can turn the crisis into an opportunity by embracing technology, accelerating SDGs and ensuring prosperity for all.

HOW

We launched Changemakers Lab (CML). **Our vision is to establish best practices on the island, solving important problems, and position Lesvos as a Global Humanitarian Tech Hub**, through a network of strategic international partners.

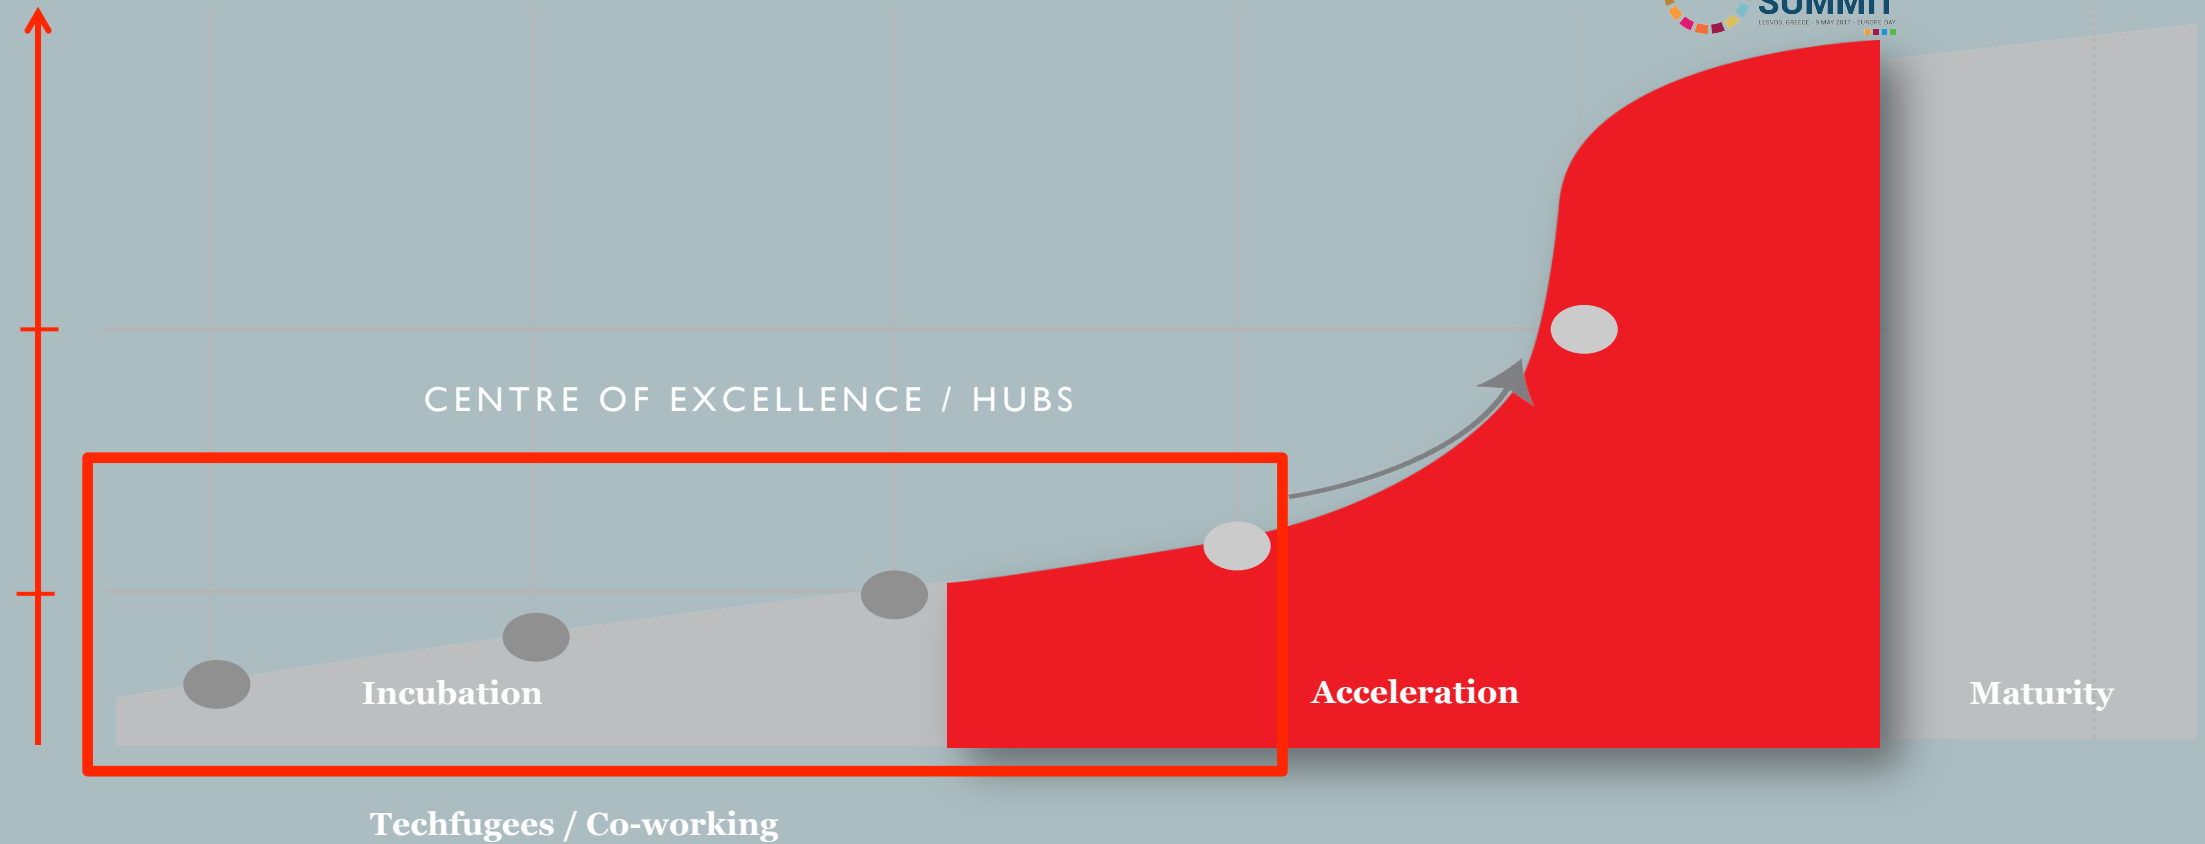

The CML's mission is to create an enabling environment where social entrepreneurs and key stakeholders can co-create social impactful tech solutions that contribute to solving humanitarian challenges, stimulating local economic development across Europe!
