

ITU REGIONAL STANDARDIZATION FORUM ON EMERGING ECONOMIC, REGULATORY AND POLICY TRENDS IN A FAST-CHANGING DIGITAL WORLD

Kigali, Rwanda, 5 February 2018

Martin Saint

Martin Saint is Scholar in Residence at Carnegie Mellon University Africa teaching in the areas of Telecommunications and Financial Technology. Before joining academia, he had over 25 years of industry and entrepreneurial experience. Dr. Saint is a Research Fellow of the Kigali Collaborative Research Center and his research and writing are a mix of engineering, economics, business, and policy for technology and finance. He received his MS and PhD degrees in Telecommunications from the University of Colorado. Outside of work he enjoys writing financial market algorithms and travel. He is often found hiding behind a book in a café.
