6th SG13 Regional Workshop for Africa on "Standardization of future networks: What opportunities for Africa"

(Abidjan, Côte d'Ivoire, 26-27 March 2018)

Joint Coordination Activity on IMT-2020 (JCA-IMT2020)

Scott Mansfield

Standards Researcher, Ericsson

JCA-IMT2020 Chairman & SG13 Vice-chair

scott.mansfield@ericsson.com

JCA-IMT2020

1. JCA-IMT2020 Established
2. 5G Ecosystem
3. 5G Roadmap
4. JCA-IMT2020 Meetings
5. Getting Involved

JCA-IMT2020 Established

- Joint Collaboration Activity on IMT-2020 was established to coordinate the ITU-T IMT-2020 standardization.
  - Focus on non-radio aspects within ITU-T and coordination with standards development organizations, industry consortia, and fora working on IMT-2020/5G related standardization
- https://www.itu.int/en/ITU-T/jca/imt2020/Pages/default.aspx
- https://www.itu.int/en/ITU-T/jca/imt2020/Pages/ToR.aspx

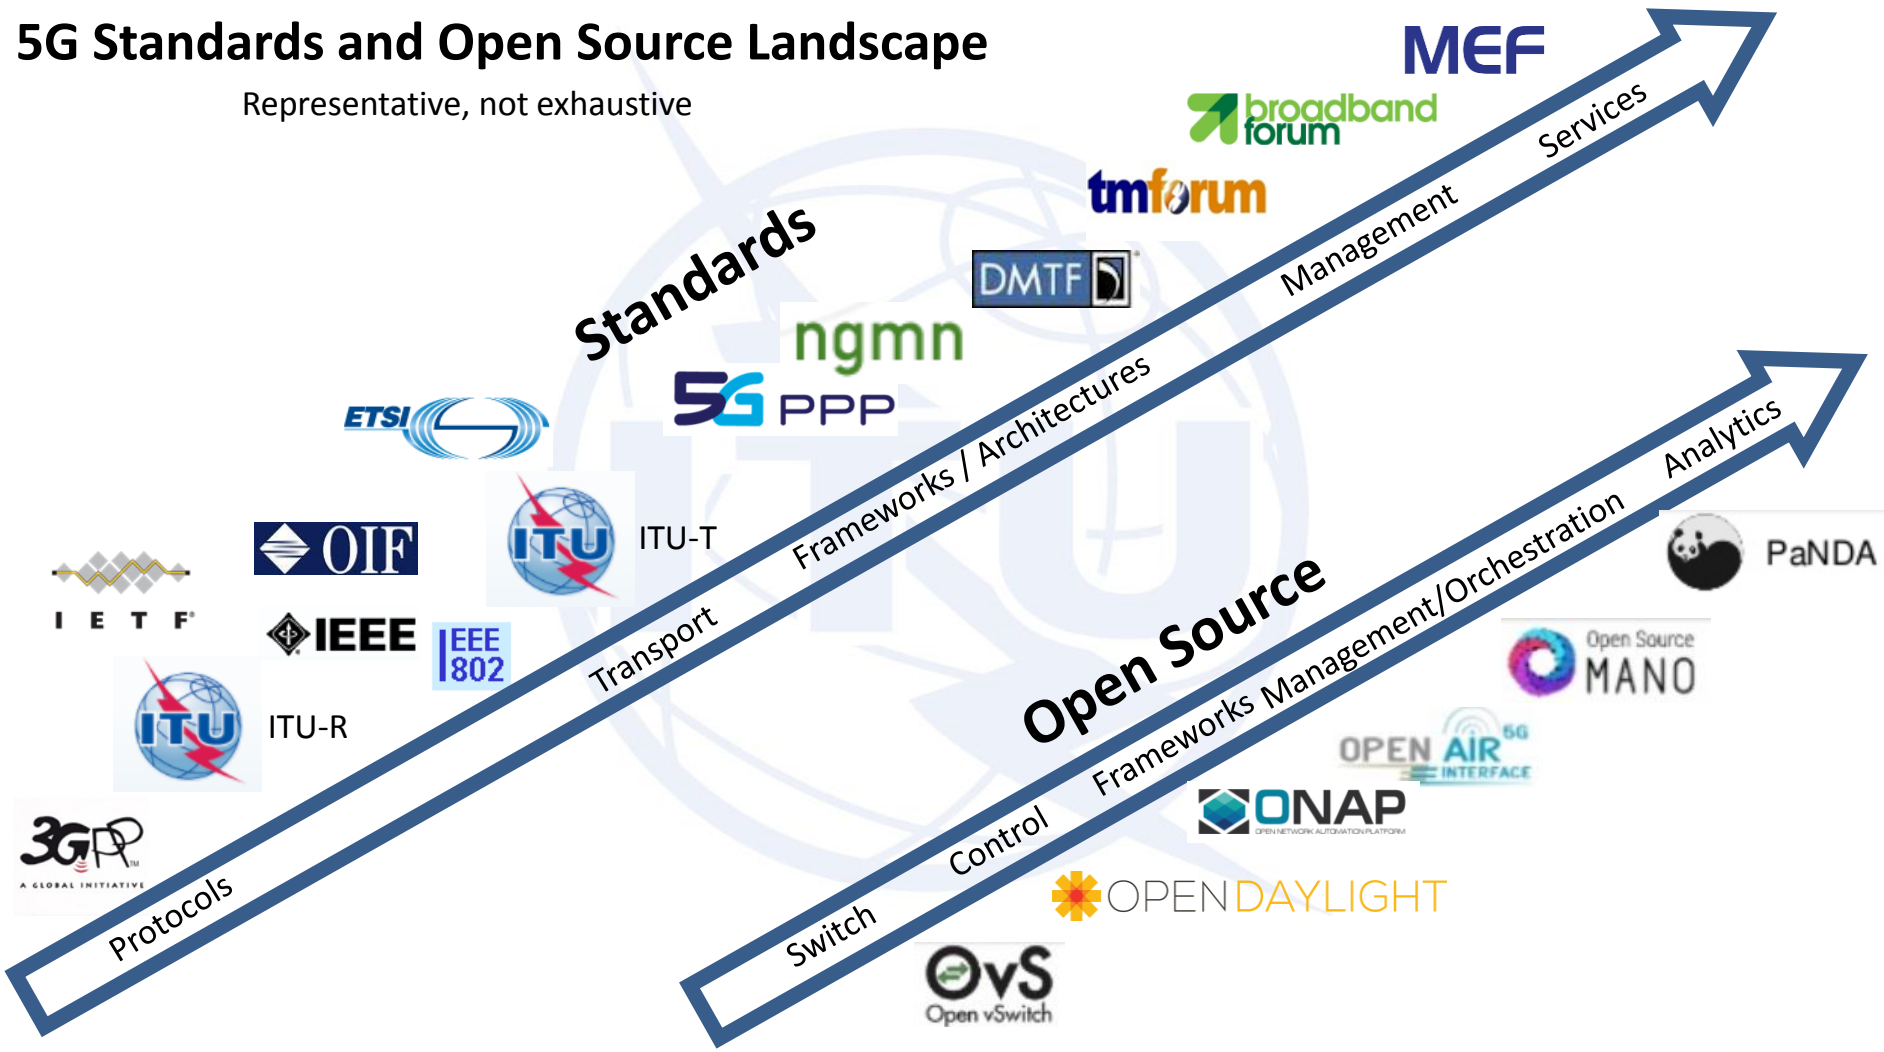
JCA-IMT2020

- Coordination
  - Liaisons with other organizations
    - Within ITU and with partners outside of the ITU
  - Presentations at industry events (ITU-T events, Fokus, IETF, MEF, etc.)
  - Face-to-Face (and virtual) JCA-IMT2020 meetings
- Outputs
  - Maintaining an online Roadmap of all material collected from liaison partners

5G Ecosystem

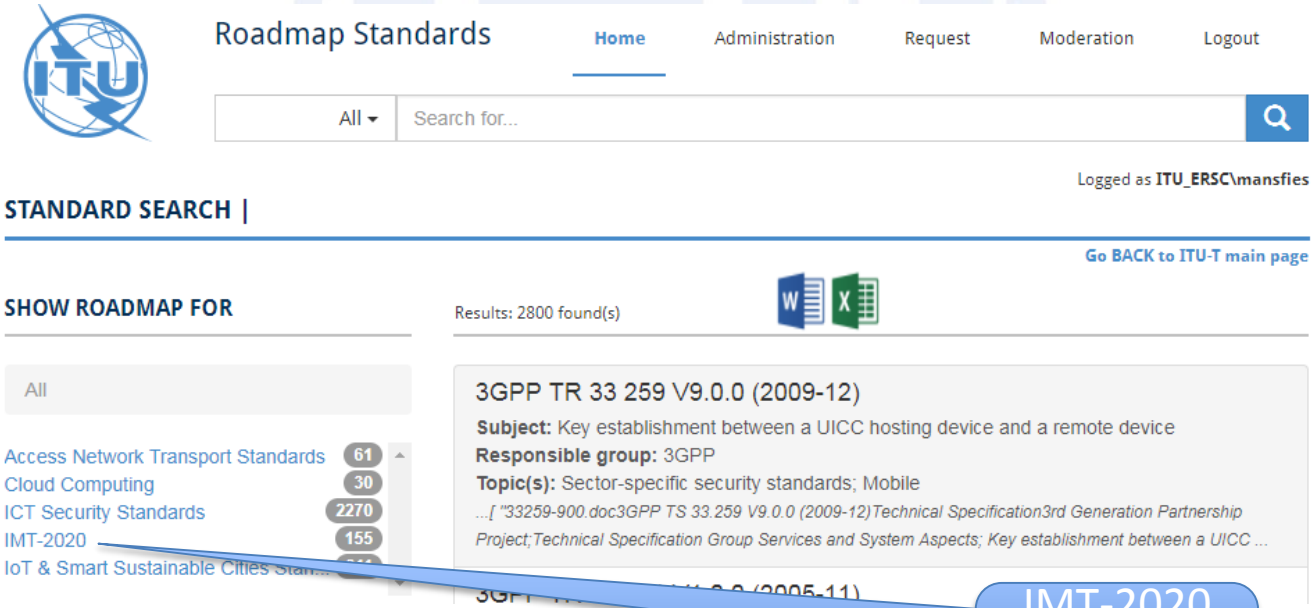
5G Standards and Open Source Landscape

Representative, not exhaustive



JCA-IMT2020 Roadmap

- Overall ITU-T Roadmap
  - https://www.itu.int/net4/ITU-T/roadmap/



IMT-2020 Roadmap

- Provides information about the work that the standards community is working on in the area of IMT-2020
- Lists the group, document, and specific topic that is under study
- Lists can be filtered and downloaded to Microsoft Word or Microsoft Excel
- Enhancements coming to the Roadmap
  - Linking directly to the documents
  - More bibliographic information

JCA-IMT2020 Meetings

- 3rd Meeting Face-to-Face with Remote Participation
  - During the SG13 Rapporteur Group Meeting
  - 13 April 2018, 16:00 - 17:30
  - Geneva, Switzerland
  - https://www.itu.int/en/ITU-T/jca/imt2020/Documents/JCA%20IMT2020-Apr2018_meeting-announcement.pdf
- Plan for a 4th Face-to-Face with Remote Participation at the October 2018 ITU-T SG15 Plenary
- Coordinating with IEEE, MEF, and BBF for presentations of the JCA-IMT2020 at upcoming meetings in 2018 or 2019

Getting Involved

- Opportunities to provide unsolicited input to the JCA at anytime
- The JCA is looking for information about the needs of all regions related to how 5G technology could help connect the unconnected and bridge the standardization gap
- Input to the 5G Ecosystem, or pointers to documents about IMT-2020 standardization happening in the regions is desired
- Please contact TSB or the Chairs at the emails below if you wish to be involved, provide input, or have something to discuss
  - Chairs
    - Mr. Scott Mansfield (scott.mansfield@ericsson.com)
    - Ms. Ying Cheng (chengying10@chinaunicom.cn)
  - TSB
    - Tatiana Kurakova (tatiana.kurakova@itu.int)

6th SG13 Regional Workshop for Africa on "Standardization of future networks: What opportunities for Africa"

(Abidjan, Côte d'Ivoire, 26-27 March 2018)

Thank you for your Attention
