Arrival and transportation

Participants are in charge of their own transportation to and from the airport (taxi, Uber, car rental) and their accommodations.

Visa formalities for entering the United States

Citizens of some countries are required to obtain a visa in order to enter and spend any time in the United States. If required, visas must be requested before the date of arrival in the United States from the embassy or consulate representing the United States in your country or, if there is no such office in your country, from the one that is closest to the country of departure. Deadlines vary, so it is suggested to check directly with the appropriate representation and apply early. For more information or assistance on visa matters please contact the host focal point: Brendan Feifer at bf2272@columbia.edu. Please note that requests for visa support letters can be considered only after you have registered on the event website.
