

ITU-T Study Group, TSAG and Other Groups Leadership Tutorial

(Geneva, 10 – 11 January 2013)

Panel Discussion with ITU-T Study Group Chairmen

Gary Fishman
Pearlfisher International
TSAG Chairman (1996-2008)

Chairmen's Panel

- SG 9 - Arthur Webster: Chairman, 2008-2016
- SG 13 - Chaesub Lee: Chairman, 2008-2016
- SG 15 - Yoichi Maeda: Chairman, 2004-2012; Chairman, Review Committee 2012-2016
- SG 16 - Yushi Naito: Chairman, 2008-2016
- TSAG - Gary Fishman: Chairman, 1996-2008 (Panel Moderator)
- TSAG - Bruce Gracie: Chairman, 2010-2016

Exchange of views and experiences: Some Topics for the Chairmen's Panel

1. What is the role of a SG Chairman?
 - a. Do SG chairman/management just rely on input contributions? May they try to direct or guide certain direction and if so, how?
 - b. Ways to promote and activate SG activities (e.g., networking events)
2. Avoiding conflict through consultation
3. How has the growth of regionalization in ITU-T affected the work?
4. What are the perceived and real threats to the quality of Recommendations?
5. What is consensus?
6. What should a Chairman expect when invited to meet outside Geneva?
7. What issues are associated with enhanced cooperation and collaboration with other bodies?
