17:30-19:30	**Reception at the ICT Discovery Centre** – Level 2, Montbrillant Building

Reception at the ITU Discovery Centre
17:30-19:30
Level 2, Montbrillant Building

Following the conference, participants are invited to attend a networking reception held at ITU's new visitor centre, ICT Discovery. In the ICT Discovery cinema, a compilation of videos on a variety of digitization-related subjects will be shown throughout the evening. In addition, a series of 10-minute multimedia presentations will be given by Digitization Day supporters:

- 18:00-18:10 Secur'Archiv
- 18:10-18:20 ATAPY
- 18:20-18:30 Everial

ICT Discovery is an exciting exhibition of the past, present and future of information and communication technologies (ICTs) - and the growing impact they have on our lives. Learn more about ICT Discovery here http://www.itu.int/ictdiscovery/index.html. During the reception, conference participants will have the opportunity to visit and explore ICT Discovery on a self-guided tour.

Gold Level Supporters / Parrains au niveau Or

ATAPY Software provides a full range of digitization services - from scanning to pre-publication (XML, PDF/A, etc.). We specialize in the most challenging material - scientific content, wide-format media, old European prints (including historical fonts), etc. Among our clients are a number of European universities, libraries and publishing houses.
