

Doreen Bogdan-Martin

ITU Secretary-General

Doreen Bogdan-Martin took office as ITU Secretary-General on 1 January 2023. With over two decades of leadership experience in global telecommunications policy, Ms. Bogdan-Martin has emphasized the need for digital transformation to achieve economic prosperity, job creation, skills development, gender equality, and socio-economic inclusion, as well as to build circular economies, reduce climate impact, and save lives. Her historic election by ITU Member States in September 2022 made her the first woman ever to head the 158-year-old organization. Known for mobilizing innovative partnerships, she aims to promote meaningful connectivity, intensify cooperation to connect the unconnected, and strengthen the alignment of digital technologies with inclusive sustainable development.
