

Tafara Makaza

Co-Founder and CTO, Fixa

Tafara Makaza is the co-founder and Chief Technology Officer of Fixa, a platform that aims to connect corporations with pre-vetted, reliable young workers across Africa.

Fixa is a tech-enabled digital staffing agency connecting informal workers with stable and dignified work opportunities. It aims to empower 10 million informal workers in Sub-Saharan Africa by providing access to stable jobs, verifiable career identities, financial inclusion, and social protection through our full-suite digital staffing agency by 2030. Its mission is to be the leading digital staffing agency in Africa, empowering young people and creating value in the world by enabling them to access stable and dignified work opportunities. To date, Fixa has connected 5,000 workers to over 205,000 shifts in the construction industry, disbursing over \$1.5 million USD. In 2022, Fixa was recognized as one of the top 20 leading impact startups in the world and participated in the Norrsken Impact Accelerator.

Mazaka is also a Generation17 Young Leader from Zimbabwe.
