

**We provide AI-powered tools and resources**  
to teach foundational literacy and numeracy according to children's learning gaps and needs.

# THE PROBLEM

+200 Million children cannot read a simple paragraph or do basic math.

*Pendo*

## Assessments

- Lengthy Assessments taking 2+ days
- Assessment data is often scattered and inconsistent.

## Grouping

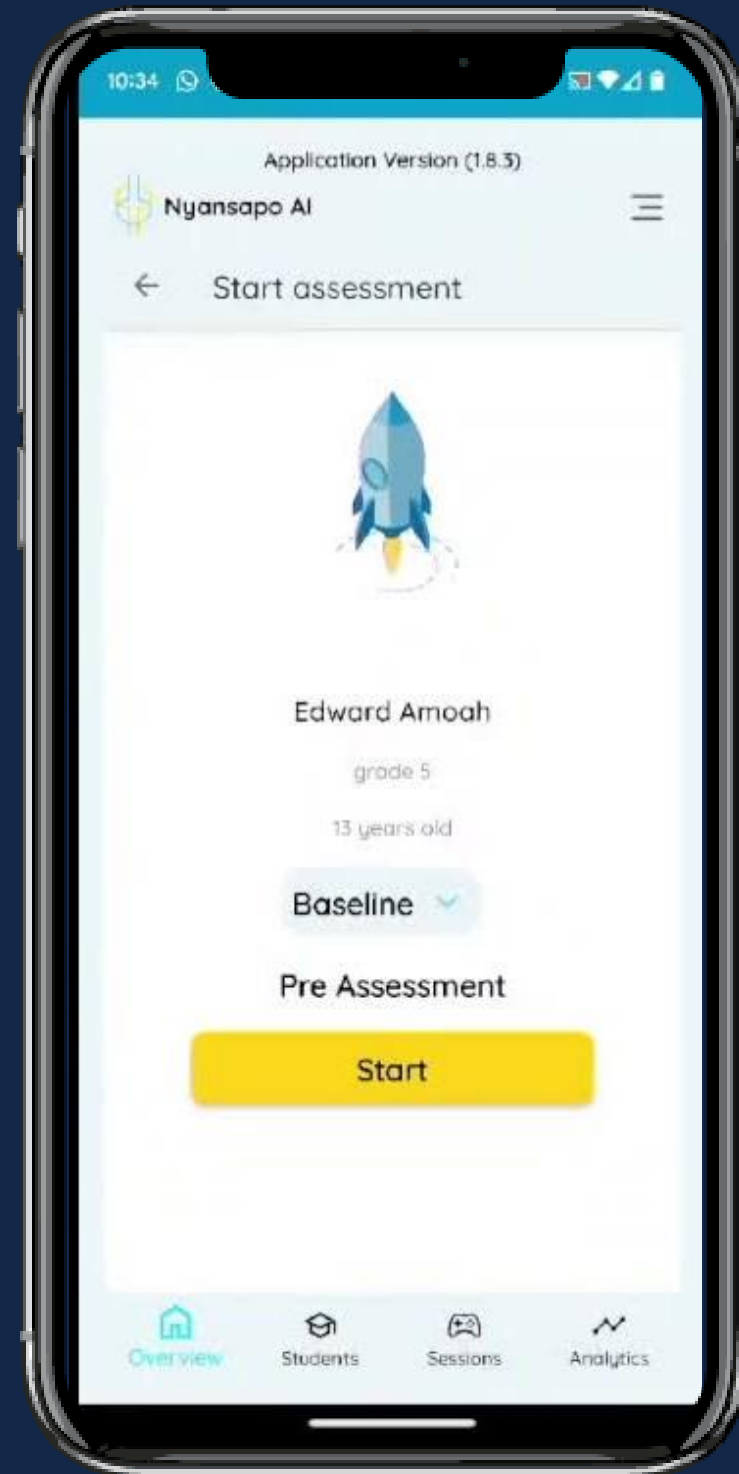

- 40% of instructors surveyed found this process difficult and demanding.

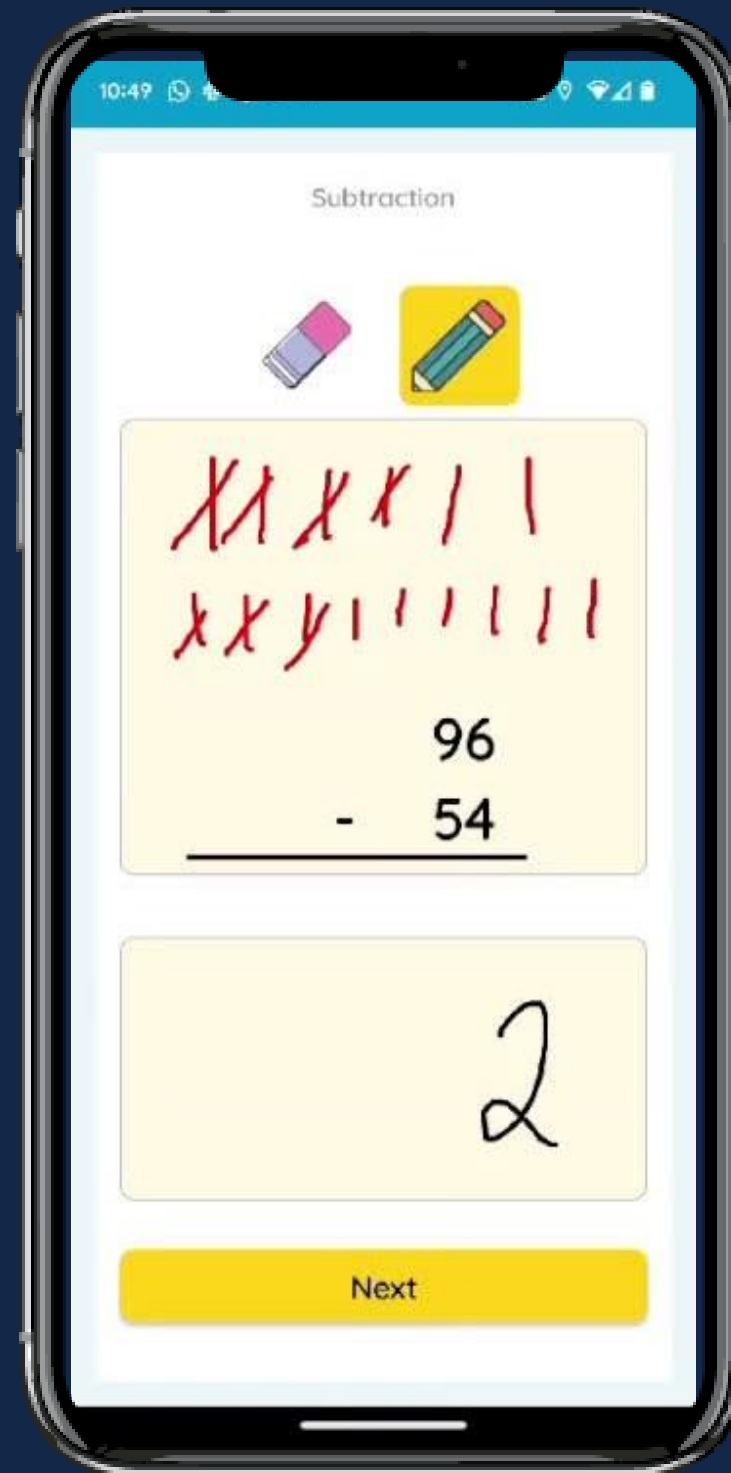

## Learning Activities

- Instructors struggle with choosing which activities work best for and are unaware of what activities are most effective.

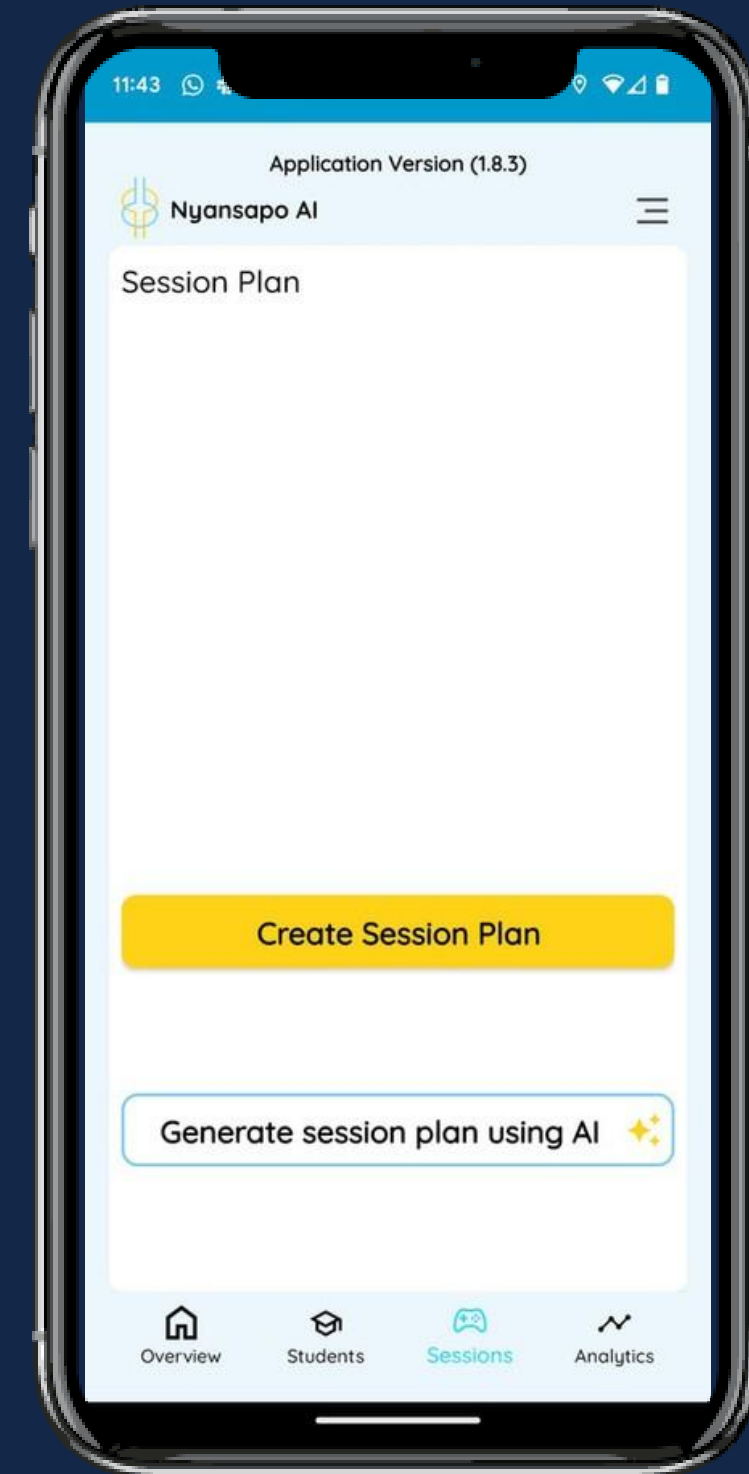

# THE EUTOPIA

Intelligent Literacy Assessment

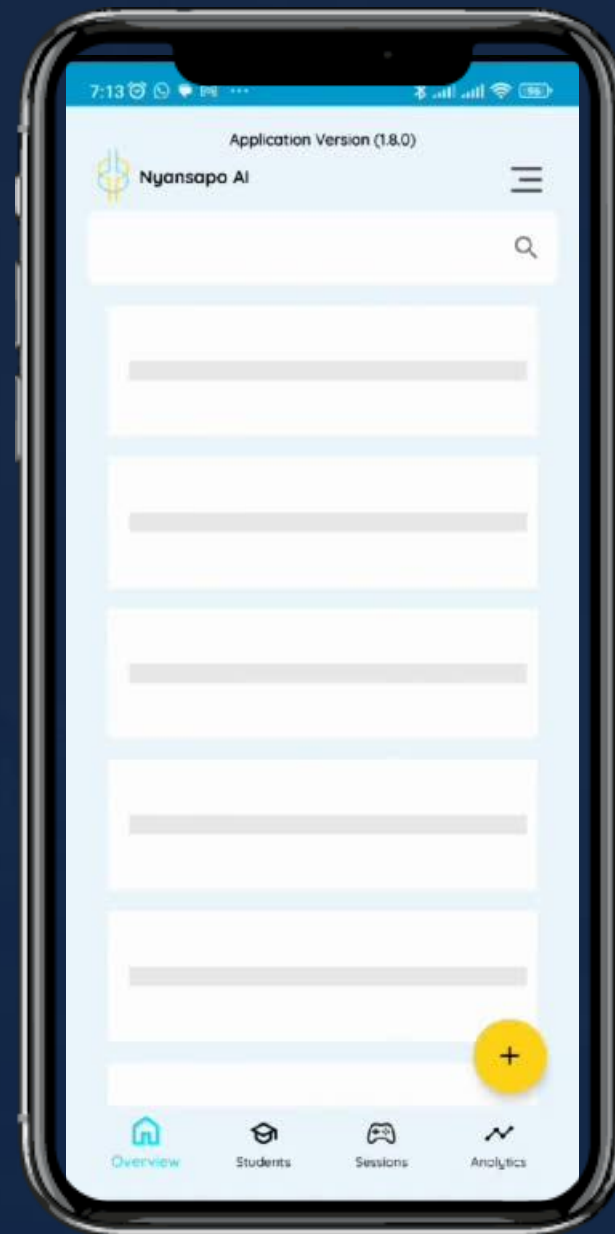

Intelligent Numeracy Assessment

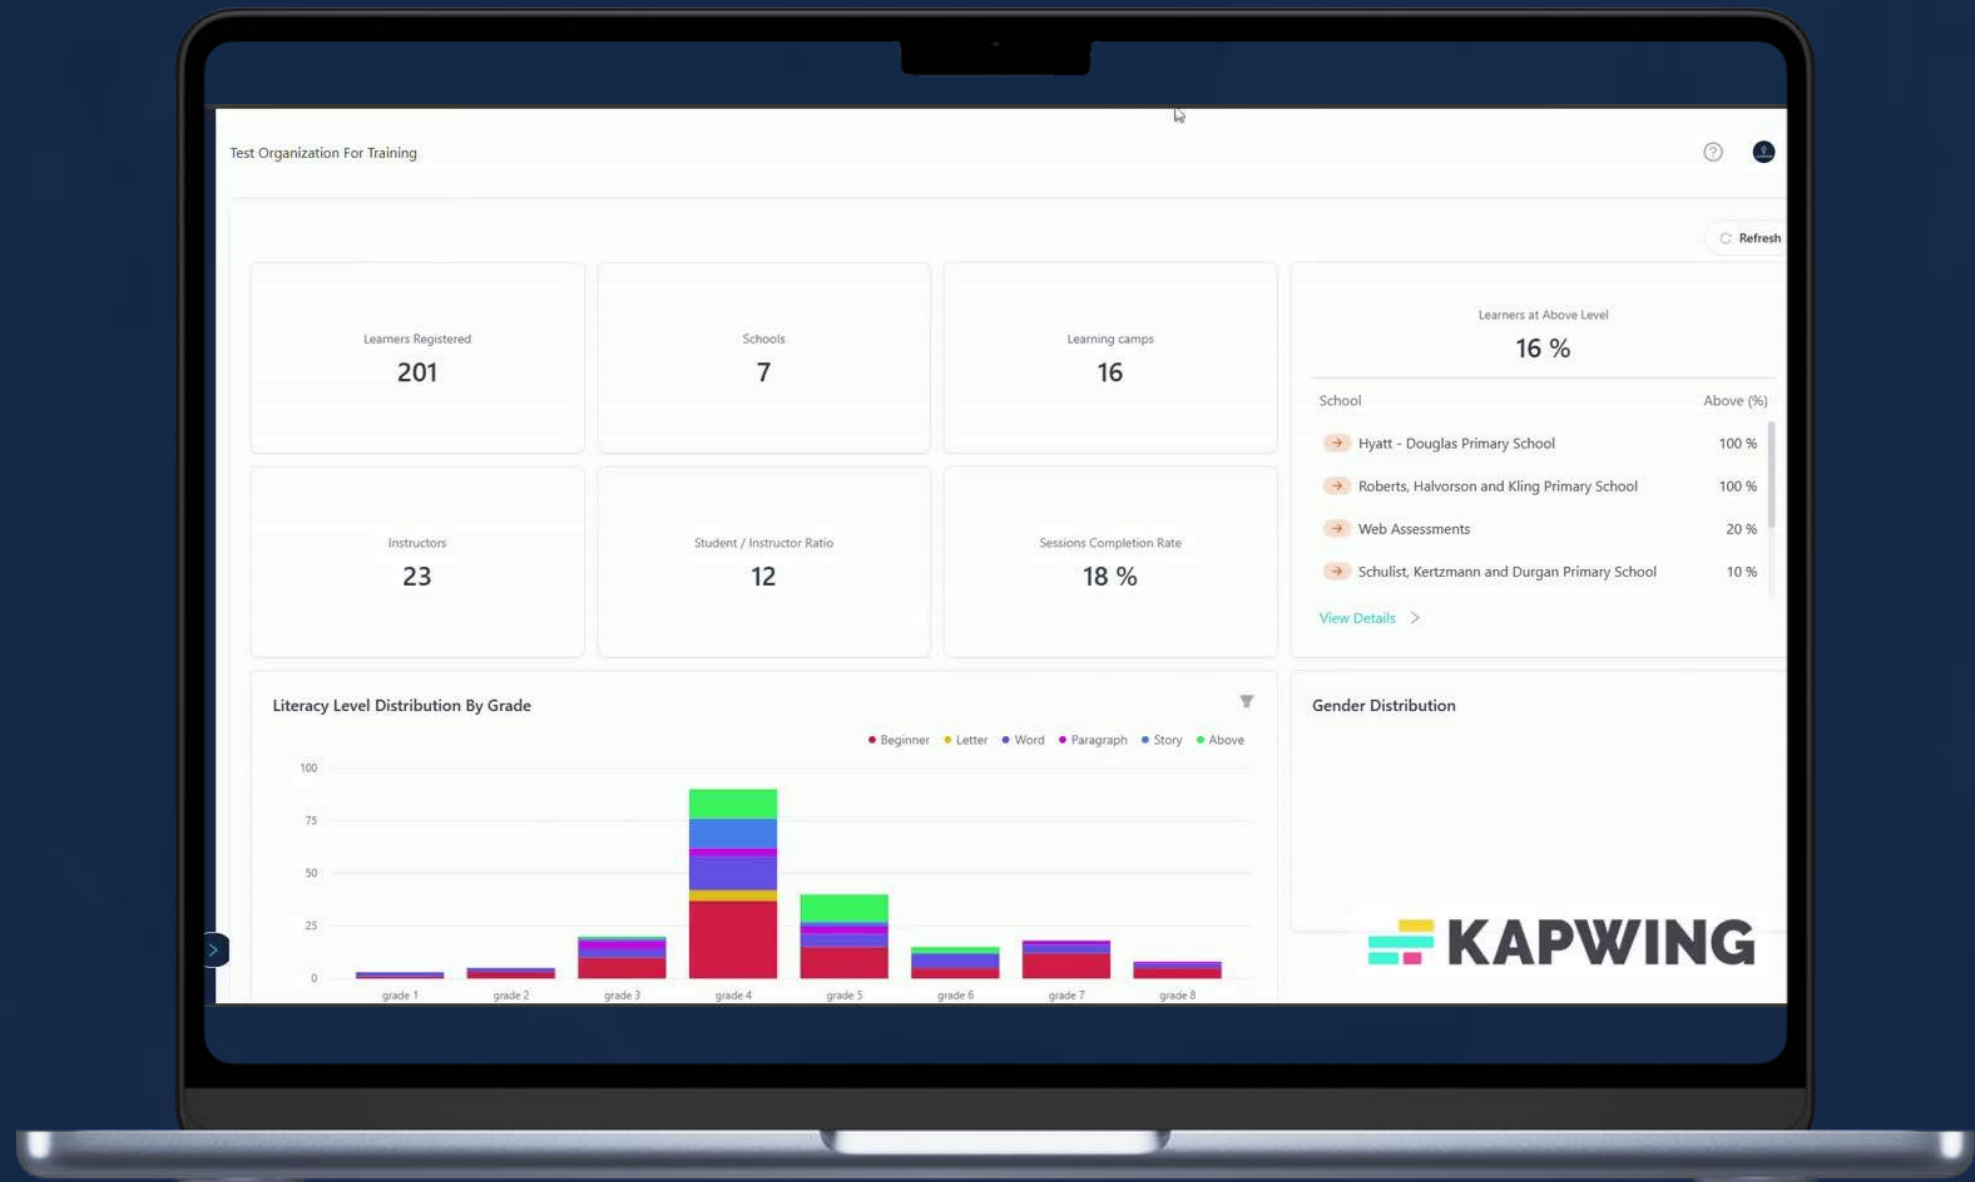

Intelligent Lesson Generator

# THE PRODUCT

## AI-powered Teaching & Learning Platform

Nyansapo AI Mobile App

Nyansapo AI School Management Platform

1. Open your browser.
2. Type “Nyansapo AI” in the search bar.
3. Click on the assessments

# AI for children read, count & shine

We partner with organizations to support and scale literacy and numeracy interventions by leveraging AI
