WSIS EXECUTIVE SECRETARIAT

PRELIMINARY REPORT ON THE WSIS STOCKTAKING

Replace para 11 a) with:

- a. The Government of **Canada** promotes and supports numerous activities that fall within the World Summit on the Information Society (WSIS) action lines. Government of Canada programs and activities encourage partnerships with other Canadian, as well as international, stakeholders. This includes partnering with civil society i.e. the private sector, academic institutions and non-governmental organizations in addition to other levels of government in order to implement programs both domestically and internationally.
