Operational Part (chapter one)

<i>Existing Text</i>	<i>Possible revision</i>
6. We are committed to achieving the indicative targets, set out in the Plan of Action, that serve as global references for improving connectivity and access in the use of ICTs in promoting the objectives of the Plan of Action, to be achieved by 2015, and to using ICTs as a tool to achieve the development goals of the Millennium Declaration, by:	6. We are committed to achieving the indicative targets, set out in the Plan of Action, that serve as global references for improving connectivity and universal, ubiquitous, equitable and affordable access in the use of ICTs in promoting the objectives of the Plan of Action, to be achieved by 2015, and to using ICTs as a tool to achieve the development goals of the Millennium Declaration, by: <i>[Note: citation from Para 21 of the Geneva Declaration of Principles]</i>
	<i>[New 6h]</i> building ICT networks and developing services that are available anytime, anywhere, by anything and anyone.

Political Chapeau

<i>Existing Text</i>	<i>Possible revision</i>
10 and Alt 10+11	<i>[Support either of these formulations that include the words "We shall strive unremittingly, therefore, to promote universal, ubiquitous, equitable and affordable access to ICTs ..."]</i>
<i>[Further commitments]</i>	<i>[New 11C:]</i> We commit ourselves to building ICT networks and developing services that are available anytime, anywhere by anything and anyone, which lead to a ubiquitous network society that supports the attainment of more convenient, comfortable and sustainable lifestyles.
