Dear Sir/ Madam,

The WSIS+10 High-Level Event, hosted by the ITU, will be held from 10 to 13 June 2014 (Pre-events: 9 June 2014) at the ITU Headquarters in Geneva, Switzerland. The **WSIS+10 High-Level Event** is co-organized by ITU, UNESCO, UNDP and UNCTAD with the engagement of other UN Agencies, including FAO, ILO, ITC, UNDESA, UNODC, UPU, UN Women, WMO, WHO, WFP, WIPO and UN Regional Commissions.

These Outcome Documents are, at present, being developed in an open and inclusive WSIS+10 Multistakeholder Preparatory Platform. The Event will build upon two tracks: the *High-Level Track*, which will comprise of formal statements, handing over of prizes, and endorsement of the Outcome Documents, and the *Forum Track*, which will address issues that are critical to WSIS implementation and follow-up in multistakeholder settings, and will include discussions on implementation of WSIS-related activities beyond 2015.

In this regard, I am pleased to invite you to the **WSIS+10 High-Level Event Final Briefing session**. The purpose of this briefing is to present in detail the Agenda that has been developed in collaboration with all stakeholders, building on the contributions made during the Open Consultation process that began in June 2013. The Final Briefing on the WSIS+10 High-Level Event will be held on **19 May 2014, Room K at the ITU Headquarters in Geneva, Switzerland**. We request you to please register for the meeting online, remote participation is available for the meeting.

We look forward to welcoming you at this important meeting which will also provide you the final opportunity to ensure your participation and engagement in the WSIS+10 High-Level Event.

Yours faithfully,

Dr Hamadoun I. Touré
