Principles for the inputs to the first draft

Statement, Vision

- Meeting agreed to use the proposals including zero drafts as the starting point and reference point for further drafting towards the First Drafts
- WSIS Stakeholders have been invited to provide comments, proposals, and changes in track changes mode by 17 November 2013
- Proposals should
 - have high-level nature
 - be listed in the order of priority
 - be developed upon the zero drafts (consolidation of texts from zero drafts that includes all comments of multistakeholders)
