ITU Member States, Sector Members and ITU  
Associates from the Asia-Pacific Region

Subject: Regional ITU Meeting on e-Health, 10-11 March 2011, Tokyo, Japan

Dear Sir/Madam,

I am pleased to inform you that the Ministry of Internal Affairs and Communications of Japan is organizing a regional meeting on ICT for Health, to take place in Tokyo, Japan on 10-11 March 2010. This activity is taking place at the initiative of Japan within the context of the Hyderabad Action Plan.

The meeting objective is to facilitate information and best practices sharing between e-Health experts in the region with the view of enhancing knowledge sharing and exploring possibilities for regional cooperation in the area of e-Health. The programme includes experts from India, Bhutan, Pakistan, Thailand, Indonesia, Russia, Korea, Bangladesh, Malaysia and Japan. Please see below for the tentative agenda of the meeting.

The invitation is open to interested participants and experts from the region, ITU Member States, Sector Members, ITU-D Study Group Associates, including representatives from regional and international organizations.

For more information, please visit: <http://www.itu.int/ITU-D/cyb/events/2011/japan/index.html>. Please use the online registration form available through the above link to confirm your participation before **17th February 2011**. Should you need a visa for Japan, please use the form available at the website.

If you have any questions or require further information, please do not hesitate to contact us.

Yours faithfully

[Original Signed]

Brahima Sanou  
Director
