Subject: **11th ANNUAL GLOBAL SYMPOSIUM FOR REGULATORS**

Dear Sir/Madam,

I would like to take this opportunity to thank you for your presentation during the Global Symposium for Regulators (GSR) organized by the Telecommunication Development Bureau (BDT) of the International Telecommunication Union (ITU). Your excellent presentation of your discussion paper and thoughtful comments in *Session 5: Open access regulation*, certainly contributed to the success of this event. The Symposium attracted more than 500 participants from 72 countries.

As you know, regulators agreed on a set of best practice regulatory guidelines identifying innovative regulatory approaches that policy makers and regulators can take to advance the deployment of broadband networks, encourage innovation and extend digital literacy to enable digital inclusion of all in a broadband world.

The final report of the GSR will be sent to you separately by e-mail. You may also wish to consult www.itu.int/gsr11 for the complete listing of all GSR documents, as well as other information regarding forthcoming events.

Allow me to thank you once again for your support in GSR11 and I look forward to seeing you in 2012.

Yours sincerely,
