Subject: **Webinar: Effective Solutions for Broadband Universalization: Case of Poland**

Dear Sir/Madam,

On behalf of the International Telecommunication Union (ITU), I would like to invite your organization to participate in a **Webinar on Effective Solutions for Broadband Universalization: Case of Poland**, to be conducted on **16<sup>th</sup> November 2011 from 15:00 to 17:00 hours**. The presentation will be provided by the **Ministry of Infrastructure of the Republic of Poland**, as a follow-up action to the joint project with BDT on New Legislative Paradigms for Broadband Infrastructure Development (see at <http://www.itu.int/itu-d/eur/NLP-BBI>).

This webinar is immediate response to the recent request of administrations for regular exchange of information on best practices, leading towards enhanced collaboration amongst the European Administrations. In this context the webinar is targeted at policy makers and regulators only, interested in development, implementation, regulation and universalization of broadband.

I cordially invite your organization to join this webinar as a new way of fostering enhanced collaboration amongst administrations of Europe Region. More information on the webinar can be found at <http://www.itu.int/itu-d/EUR/NLP-BBI/webinar>. Please note that this webinar will be conducted in English. Notification of participation should be sent by e-mail to [eurregion@itu.int](mailto:eurregion@itu.int) no later than **15 November 2011**.

Should you need any further information, please do not hesitate to contact us.

Yours faithfully,
