Subject: Workshop on "Mastering an Open Source e-Learning Platform" for Portuguese and Spanish speaking countries in Africa, Maputo, Mozambique, 8 - 12 July 2013

Dear Sir/Madam,

On behalf of the International Telecommunication Union (ITU), I am pleased to invite you to participate in a workshop on **"Mastering an Open Source e-Learning Platform"** for Portuguese and Spanish speaking countries in Africa, to be held in Maputo, Mozambique, **from 8 to 12 July 2013**. The workshop will be hosted by the Telecomunicações de Mozambique (TDM). It is being conducted under the aegis of the ITU Centres of Excellence Network for Portuguese and Spanish speaking countries in Africa.

The course coverage ranges from the installation of the operating system on the open source server, to the installation of the application used to manage the training interventions. The main areas to be covered during this training are: overview of a LAMP technology, Joomla as a content management system and Moodle as a course management system and the integration of both. The course will also cover security and backup strategies for the maintenance.

Among others, the following topics will be addressed:

- Moodle high level configuration and customization
- Joomla high level configuration
- Operating system installations & migrations of applications
- Replication & round robin dns setup & files backup strategy
- Apache configuration, e-mail configuration
- Troubleshooting.

This course is targeted at webmasters, information systems engineers and employees from regulators, government organisations, telecommunication companies and academia, who are interested in understanding the installation, implementation and management of an e-Learning platform based on an open source solution. It is also open to trainers who may wish to gain an understanding of the hardware and software driving online training.

If you wish to participate in this workshop, please complete the attached Registration Form (Annex 1) and return to Ms. Ema Matusé (ema@tdm.mz) with copy to Mr. Marcelino Tayob, Senior Advisor, ITU Regional Office, Addis Ababa, (marcelino.tayob@itu.int), **by 28 June 2013** at the latest.

Additional information, including the description and programme of the workshop as well as related information, can be found on the ITU Academy Portal at <http://academy.itu.int/index.php/events> and also at the CoE-AFR/LSP eLearning platform <http://academy.coelsp.ac.mz/index.php/events/item/1045/>.

For any further information you may need, please contact Ms. Ema Matuse: Tel:/fax: (+244) 222 339 449.

Yours faithfully,
