Dear Sir/Madam,

Further to the invitation letter sent to your office (Ref: BDT/PKM/IDS/WTIS13/MD/307) to attend the ITU 11th [World Telecommunication/ICT Indicators Symposium \(WTIS\)](#) taking place in Mexico City on 4-6 December 2013, I am pleased to invite you to the 4th Meeting of the Expert Group on Telecommunication/ICT Indicators (EGTI), which will take place in Mexico City, on 2-3 December 2013.

The objective of the EGTI meeting is to examine the contributions received from members of the EGTI online discussion forum during 2013, with a view to finalizing the list of indicators and their definitions. The final outcome of the discussions will be presented to participants attending the WTIS.

The main indicators that will be discussed during the EGTI meeting are those related to (1) digital broadcasting, (2) the revision of the Core indicators on ICT infrastructure and access of the Partnership on Measuring ICT for Development, (3) foreign direct investment, and (4) investment and revenue in the ICT sector.

Your experience and expertise in the field of telecommunication/ICT indicators will greatly contribute to the success of this meeting. We therefore count on your presence and valuable inputs to the discussions. Please note that participation in this meeting is on a self-financing basis. Further details concerning the meeting (including agenda and logistics) will be posted on the [EGTI online discussion forum](#). Please confirm your participation by email to indicators@itu.int, no later than 15 November 2013.

I hope you will be able to participate in this important meeting.

Yours faithfully,
