OF ITU

Recommendation ITU-T D.140 (07/98)

Accounting rate principles for international telephone services

Study Group 3 has approved on the 15th December 1998 ~~proposed~~ the deletion of Appendix II of Annex B to Recommendation D.140 (Second data collection method), together with ~~which necessitate small modification of text in Annex B, paragraph B.3 of Annex B.~~ A decision therefore should be taken at the next meeting of Study Group 3 in December 1998 after official approval procedure. However, even if such a decision is taken in December 1998, the revised version of ITU-T Recommendation D.140 without Appendix II will not be published. Please refer to TSB for any question relating to Appendix II applicability.
